

# TESTIMONIALS FROM NIVA CLIENTS

“The coordination and project management capabilities that NIVA provided in the recent publication of the final report on the Swissair Flight 111 accident were essential to our success.”

**Transportation Safety Board of Canada**

“Thank you for your support, high standards, and attention to detail.”

**ICON International Inc.**

“The department’s choice of NIVA to design, develop, and implement this site was the right one. *HR and You* has become a model for similar sites across the federal government.”

**Department of Justice Canada**

“The YCJA Explained repository represents an innovative approach to informing professionals and officials about new legislation and response to it has been extremely positive.”

**Department of Justice Canada, Youth Justice**

“Thank you for the outstanding job done in preparing the GTIS *Communications Standards and Guidelines*. Your team delivered a professional, high-quality product.”

**Government Telecommunications and Informatics Services**

“NIVA’s involvement was pivotal. You helped us focus our key objectives—to ensure that our report addressed the important issues, and to design a deliverable that carried impact.”

**Procter & Gamble**

**“A world-class document was produced.”**

**— Canadian Air Transport Security Authority**

“Through NIVA’s preparation of a communications strategy for the Information Technology Services Directorate, the division was able to overcome many of our communications challenges and build improved relationships with our clients.”

**Canadian Nuclear Safety Commission**

“Thanks to your leadership, creativity, and sense of commitment, the results exceeded our initial expectations and the governance model developed has been cited as a best practice in other parts of our department.”

**Health Canada**

“We have worked together on many documentation projects. In every case, you and your staff have acted with great professionalism and the results have always exceeded our expectations.”

**Sterling Software, Inc.**

“I have worked with NIVA on many projects. NIVA has consistently exceeded my expectations, both in regards to project delivery as well as their ability to deal with often difficult clients.”

**Correctional Service Canada**

“What a pleasure it was to work with you and your team on the development of *Desktop Applications and You*. It is being received with rave reviews from coast to coast.”

**Human Resources Development Canada**

“The NIVA team demonstrated a remarkable ability to quickly comprehend a large amount of complex scientific and legal information, and rewrite it to make it interesting and understandable to two very different audiences.”

**Health Canada**

“I would like to express our appreciation for NIVA’s outstanding work on HOWIE, Hydro Ottawa’s Web-based Information for Employees. NIVA was integral to bringing this project to successful completion.”

**Hydro Ottawa**

“It is heartening to know that there is one constant that can be relied on, the enduring high quality of the service provided by NIVA.”

**Agriculture Canada**
